## **PRESS RELEASE**

### **ICC Healthnet Canada Inc. announces participation in the Albany Medical Clinic's new location**

**TORONTO, Canada – October 31, 2009**

ICC HealthNet Canada Inc. ("ICC") and its Rehabilitation & Wellness division have been selected to provide multi-disciplinary services in the Albany Medical Clinic's ("Albany") new location at 807 Broadview Ave., Toronto, ON.

The Albany's new location will occupy 42,000 square feet in a five storey building just north of the Broadview subway station. When it opens in November 2009, it will be a fully integrated state-of-the-art primary healthcare centre. It will house 24 family physicians, over 35 specialists and all ancillary, diagnostic and alternative medicine services. The project will also include a retail pharmacy and a bank on the main floor.

ICC will be located on the 5<sup>th</sup> floor and will provide Health & Wellness services including: non-OHIP physiotherapy, chiropractic, massage, acupuncture, chiropody, laser therapy, naturopath, traditional Chinese medicine, homeopathy, and herbalist services. These multi-disciplinary services will be covered by 3<sup>rd</sup> party insurance providers, WSIB or by the patient directly.

ICC will strive to provide seamless access to its integrated set of quality healthcare services for Albany patients at the new location.

Albany Medical Clinic, founded in 1946, is a private, physician owned medical clinic conducting in excess of 35,000 patient visits per month. For more information, see their website at [www.albanyclinic.ca](http://www.albanyclinic.ca).

ICC HealthNet Canada Inc. is a private company with 14 owned and 12 affiliated multi-disciplinary Rehabilitation and Wellness clinics. All ICC clinics are CARF accredited – which is the North American standard for rehabilitation clinics. A wholly owned subsidiary company – Healthnet Assessments Inc. – conducts assessments for major insurance companies, WSIB and employers.
